Subject: STAINLESS STEEL Declaration

We hereby declare that the locking and closing systems of our KIO manholes covers in class C250 and class D400 are made of 316 STAINLESS STEEL, excepted for the bushes (C250) which are embedded in the relative frames, which are made of brass.

We also declare that the STAINLESS STEEL used for our metal parts is antimagnetic.

Sincerely,

INDUSTRIE POLIECO-M.P.B. srl
